

THE COURSE

English is the international language of business. TALK's Business English, Business English Plus and Business English Elective courses will help you develop your professional English skills. Here's what you'll gain:

- Become familiar with global business topics and vocabulary
- Learn to navigate job networking sites
- Create a cover letter and curriculum vitae
- Evaluate position descriptions and identify buzz and keywords
- Practice interview skills
- Learn the how-to's of using formal and informal communication in the workplace
