

## THE COURSE

General English consists of 18 lessons per week in listening, speaking, reading and writing. This course puts students on a guided path to English proficiency, providing support in the improvement of pronunciation, grammar, and vocabulary.

This course is ideal for students seeking to improve their language skills on a full-time basis.

The advanced academic levels of this course are ideal for students who wish to pursue further studies in a college or university. Many TALK university partners accept our Level 9 in place of a TOEFL or IELTS requirement.

**Upon completion of your course,  
you will receive a Certificate of Completion.**
